ABOUT THE PMD FOUNDATION

The Patrick Michael D'Aliso Foundation seeks to honor young men who have successfully competed on the athletic field, in the classroom, and in society with the highest level of deportment. Two scholarships are available each year to graduating senior wrestlers, who will be attending accredited four-year colleges or universities.

The PMD Foundation also provides financial support to accredited Suicide Awareness and Prevention Programs, focused on assisting teenagers and young adults. The PMD Foundation has also started the first support group for survivors of suicide in Orange County, NY. This monthly meeting offers a safe haven for people who have lost a loved one to suicide.
